PTC[®] product & service advantage

University Plus Internship License

- Access to Precision LMS
- University Plus Creo Internship License

Access to Precision LMS eLearning platform

A welcome email is sent to the order contacts after purchasing the package.

The email will include details on how to access Precision LMS and how to download and install the software.

Also in this email you will have the Client Number and Sales Order Number that are important for the installation of the product.

Welcome to your University Plus Internship License eLearning Library Evaluation!

Your Precision LMS eLearning Library evaluation is available to you. Courses are available 24 hours a day, 7 days a week from any computer with Internet access.

Follow these three easy steps to get started:

- 1. Go to <u>http://www.ptc.com/precisionlms</u> and login with the username and password below.
 - Username = xxxxxxx@xxxxx.xx
 - Password = xxxxxxx
- 2. Click the Find Training tab to search or browse for a course.
- 3. Click on the title of the course to begin learning right away!

Order Information:

- Precision LMS Order Number: xxxxxxx
- Sales Order Number: xxxxxxxx
- Description: 1 Creo Parametric, ProductPoint, Creo Simulate, Creo Illustrate, Creo View, Creo Elements/Direct, Windchill and Pro/FICIENCY eLearning library
- Library Expiration Date: 20/06/2013
- Support Expiration Date: 20/06/2013

Please visit our <u>eLearning Resource page</u> to view a recorded demonstration, review the user guide, <u>register</u> for a live virtual demonstration and to access other helpful tools.

LearningConnector - Point. Click. Learn.

With LearningConnector, you can access eLearning Libraries and the Technical Support Knowledge Base directly from your PTC software! No need to close your application, simply access the right information you need in a single click. Please visit <u>http://www.ptc.com/go/learningconnector</u> to download or find out more about LearningConnector.

To find out more about Creo, please click here.

If you have any questions or are not the correct person to act in this role, please feel free to contact us.

PTC collects, transfers and uses your data in accordance with PTC's <u>Privacy Policy</u>. Any questions should be directed to <u>dataprivacy@ptc.com</u>.

Installing University Plus Creo Internship License

After the order has been confirmed you will receive a *PTC software order fulfilment confirmation letter*.

In this email you can find the download link and link to the installation guide.

Installation procedure:

Note: Before starting the installation process please turn off your firewall and antivirus software!

- 1. If you don't already have an account on <u>www.ptc.com</u> please create one.
- 2. Download the zip file from the download page.
- 3. Extract the zip to a temporary folder on your PC.
- 4. Start setup.exe on your machine
- 5. Select Install New Software
- 6. Accept License agreement
- 7. Enter the SON (Sales Order Number) in the SON field. Click *Install licensing* to generate the license file. It will add the license file once created to the license summary.

9. Click Install

10. Run Creo and additional applications like Thumbnail viewer will be installed.

,^ãc^¦^ÁQ-{●Ásĕ ~Á, , È &* Ё^¦çã&^Èå^

11. You can now use Creo 2.0

Academic Edition Software Information

To install the Academic Edition software, you must first open a <u>PTC University Support ticket</u> and request a Product Code. Be sure to include your first and last name, PTC.com username and a comment that you are requesting the product code for the Student Edition of Creo. You will receive the product code within 1 business day.

Download the DVD image

Log in to <u>https://precisionlms.ptc.com</u> with your PTC user name and Password.

Select Find Training

Select *Course* as *Find* criteria, fill in the *About* field with *Academic Edition*, and select *All Creo* as *Product*
